Safety Talk

THE RIGHT SHOES TO ENSURE YOUR SAFETY AT WORK

Trips, slips and falls can happen in any work environment, especially when safety shoes are not part of the uniform. Safety shoes that fit well will help maintain balance and will be comfortable, preventing any trips or slips

Finding the right shoes to wear on the job may seem easy enough, but choosing the wrong shoes puts you at risk of injury. Here are some of the things you should consider in order to get optimal footwear for your job.

- Consider your daily job duties and requirements
- Consider your comfort
- Consider the support they offer
- Consider the grip

THE JOHN NOBLE HOMES DRESS CODE POLICY

It is John Noble Homes policy that shoes are to be appropriate for the department where work is being performed.

- All shoes must be clean, in good condition.
- **If you are entering Resident Home Areas enclosed heel and toe footwear is required.**
- Nutrition Services, Housekeeping, Laundry and Nursing employees must wear slip-proof soled shoes.
- Building Services employees (Maintenance, Handy Person, Heavy Cleaner) are to wear regulation steel toed work shoes.

FAMILY FORUM

WHO ARE WE

- The John Noble Home Family Forum consists of family members of residents.
- We function as a support group and a bridge between families and John Noble Home.
- The Forum provides peer support, shares ideas, and collaborates for residents' well-being.
- We offer suggestions to staff to improve services and activities for residents and their families.
- We meet once a month* for approx. 1.5 hours in a relaxing and friendly atmosphere.
**See meeting notice on each floor for time and location.*

Employee Spotlight

Sarah was nominated by her co-workers as the Employee Spotlight winner for the month of June.

Sarah is a Housekeeper and works on all the resident home areas around the Home. She also fills in as the Housekeeping Heavy Cleaner and can sometimes be seen riding the auto scrubber.

Her co workers describe Sarah as a team player as she is always willing to lend a helping hand to her coworkers and anyone who needs assistance. She regularly helps with major projects around the Home. Most recently Sarah assisted with preparing the gardens for the summer season. Her efforts are sure to bring joy to the Residents this summer.

Sarah is a valued employee and wonderful asset to the Home.

Emergency Preparedness Week

Emergency plans committee took on Emergency Preparedness Week by providing education on our emergency codes that staff, residents, volunteers and visitors may encounter at the John Noble Home. Being prepared by knowing our roles is important to ensure we're ready for every situation.

Our winner was PSW Sonya who won a gift card towards her 72-hour emergency kit at home!

🍕 Congratulations to our Dietary Team!

A big shoutout to the Dietary Department for achieving the **highest hand hygiene compliance** this round — you've earned a well-deserved **pizza party**! Thank you for leading by example and showing how teamwork and consistency help keep our home safe.

💧 As we move forward, let's all work together to boost our hand hygiene numbers across all departments. Clean hands save lives — let's continue to do our part in keeping residents, staff, and visitors safe and healthy.

💡 Measles Update – Grand Erie Health Unit (Brantford)

There has been a **recent measles case** reported in the Grand Erie area. While the risk remains low, this serves as a reminder of the importance of up-to-date immunizations and vigilant infection prevention practices. Please refer to the latest memo from the health unit, which will be posted in:

- Staff rooms
- Across from the café
- IPAC board

Stay informed and don't hesitate to reach out with questions or concerns.

💙 Nursing Week Highlights

It was wonderful to see everyone come together to celebrate **Nursing Week** last month. Your participation, spirit, and energy made it a truly memorable event. Thank you for all that you do!

Day & Stay Program

June is Senior's Month and we celebrate the wonderful people who join us at the Day and Stay. You are all very special to us.

It is so wonderful to see the blue sky, colourful flowers and people out walking.

The Day Program clients are celebrating Rose Day by creating a Rose Garden and doing some Rose Bingo! The group will be celebrating Canada Week by doing some baking with Maple Syrup, making a Canada Day Wind Sock and doing some Western Canada Facts and Trivia.

The Overnight Stay Program is packed with activities. The clients will be celebrating Father's Day and welcoming Summer! They will be doing Summer Sunset art work, some golfing and some Sunday baking.

The Afternoon Group will be doing some bowling, some Fun and Fitness and some creative art.

Our garden is under construction but we are hoping to put up some temporary fencing for everyone can get outside and enjoy some fresh air.

We want to wish all of the dad's a wonderful Father's Day!!

Wishing everyone a wonderful June! Get out and enjoy the weather!
