

MANUAL:	Emergency	Policy No.:	9-A-10
SECTION:	Medical Emergency-Code Medical		
SUBJECT:	“Code Medical” Emergency		

POLICY:

It is the intent of the John Noble Home to act quickly and efficiently in the event of a medical emergency. All reasonable steps shall be taken to preserve the quality of life.

PROCEDURE:

1. In the event of a Resident medical emergency “Code Medical” will be announced 3 times with the location of the medical emergency and 911 will be called at the direction of the Registered Staff.
2. **The Registered Nurse in charge will respond to medical emergencies in non-resident areas of the Home and call for further assistance as required.**
3. All available RN’s and Registered Staff on the area will attend the emergency. The Medical Director and Nurse Practitioner will attend if in the building.
4. Registered Staff will act according to information in the resident’s care plan and Advanced Directives.
5. For non-residents, if applicable, an AED is located by the Education Room in Skylight Café. 911 will be called.
6. Registered Staff remain with the person until paramedics arrive to take care and control of the person and situation.
